

Shop Ballwin First

When you choose to shop in Ballwin you can be rewarded with great deals just for showing your Ballwin key fob. Each participating business has chosen a discount to offer shoppers. Be sure to encourage your favorite businesses to participate and remind everyone to Shop Ballwin First!

Buying a Ballwin Key Fob

To obtain a Ballwin key fob and participate in this program head to The Pointe at Ballwin Commons or North Pointe Aquatic Center.

Anyone who purchases a membership to these facilities or buys a resident ID card will be given a Ballwin key fob.

Memberships

Ballwin's facilities offer multiple types of memberships for adults, youth, seniors, families and more for both residents and nonresidents. Go online to www.ballwin.mo.us or stop by to learn more.

Resident ID Cards

This option is only available to residents living within Ballwin City limits. An unpaid gas, water, sewer or electric bill is required at the time of purchase to prove residency and must be done annually to renew. These bills will show a municipal charge paid to the City of Ballwin which means tax-paying residents receive lower rates on programs, rentals, golf fees, memberships and more.

New ID Card \$5 per person

Annual Renewal Card \$1 per person
