

## BALLWIN POLICE DEPARTMENT

### MEMORANDUM

---

---

Date: October 12, 2016  
To: Eric Hanson, City Administrator  
From: Chief Kevin B. Scott  
Subject: E-Citation Project

---

---

Mr. Hanson,

Full implementation of the Ballwin Police Department's E-Citation Project has been a top priority. We currently have two patrol units that utilize this technology. As the software capability exists in all the other units with REJIS access, the only thing lacking for full implementation is the remaining onboard printers and battery cradles.

In order to complete this project, police department staff prepared a grant application through MoDOT's Traffic and Highway Safety Division, requesting \$14,300.00 in non-matching funds for full implementation. This grant contract was previously presented to the Board of Aldermen. As of October 1, 2016, we have full authorization from MoDOT to access these funds and execute this project.

Please find two separate Informal Price Quotation Forms attached, one for a total of 16 Zebra Mobile Printers, and the other for a total of 16 Zebra Battery Eliminator Cradles. I am seeking Board approval to purchase the 16 mobile printers from Barcode Planet, which was the low bid of \$670.50 per unit. The total printer cost would be \$10728.00. In addition, I am seeking approval to purchase the 16 Battery Eliminator Cradles from Barcode Planet as well, which was the low bid of \$177.20 per unit. The total cradle cost would be \$2,835.20. This brings our total project cost to \$13,563.20, which is \$736.80 below budget.

The initial cost outlay will be fully refunded by MoDOT, with no matching funds required. I greatly appreciate consideration of this project. If you have any questions, please do not hesitate to contact me.

Respectfully,

Kevin B. Scott  
Chief of Police

Missouri Department of Transportation

830 MoDOT Drive  
P.O. Box 270  
Jefferson City, MO 65102  
573-751-4161  
1-800-800-2358  
Fax: 573-634-5977

September 15, 2016

**COPY**

Acting Chief Kevin Scott  
Ballwin Police Dept.  
300 Park Dr.  
Ballwin, MO 63011-3717

Dear Acting Chief Scott:

Enclosed please find a copy of the fully executed contract between the Traffic and Highway Safety Division and Ballwin Police Dept. for a **E-Citations project**. The project obligates **\$14,300.00** in federal funds for the period of October 01, 2016 through September 30, 2017. All eligible expenditures incurred effective October 01, 2016 should be claimed against project #17-M3DA-04-004.

Your agency is required to submit expenditures monthly. If your agency cannot submit expenditures monthly, then you must submit the expenditures at least quarterly.

Your agency may be obligated to fulfill a requirement in accordance with the 2 Code of Federal Regulations (CFR) Part 200, known as the "OMB Supercircular" with the Office of Management and Budget. It sets forth standards for obtaining consistency and uniformity among Federal agencies for the audit of States, Local Governments, and Non-Profit Organizations expending Federal awards.

2 CFR Part 200 states that Non-Federal entities expending \$750,000 or more in a year in Federal awards shall have a single or program-specific audit conducted for that year in accordance with the provisions of 2 CFR Part 200 "OMB Supercircular" as defined in section 200.501. The 2 CFR Part 200 can be found by going to the National Highway Traffic Safety Administration website at [NHTSA.dot.gov](http://NHTSA.dot.gov). One hard copy of this audit shall be sent to: Missouri Department of Transportation (MoDOT) Audits and Investigations Division, PO Box 270, Jefferson City, MO 65102.

Questions regarding the "OMB Supercircular" requirement can be directed to the MoDOT Traffic and Highway Safety Division at 800-800-2358 or 573-751-5419. Questions regarding this contract, can be directed to Jeremy Hodges, Commercial Motor Vehicle Program Manager. We look forward to working with you and your staff.

Sincerely,

Bill Whitfield  
Highway Safety Director

Enclosure

Barcode Planet > Portable Thermal Printer > Zebra Portable Printer > Zebra ZQ520 > **Zebra ZQ52-AUE0010-00**

**ZQ52-AUE0010-00 - Zebra ZQ520 Portable Printer**

Image may differ from actual product.

**Environmental Endurance**

Extreme environments and bangs and bumps are no match for these lightweight, compact printers. Zebra's ZQ520 printers are the most rugged printers available. They perform in the widest operating temperature range in the industry and can withstand repeated drops to concrete from up to 6.6 feet. Water spray is no match with their IP54 rating.
