**RE:** PICKUP TRUCK REPLACEMENT

**DEPARTMENT:** PARKS & RECREATION

**PROGRAM:** PARKS

**RECOMMENDATION:** The recommendation is to purchase a new 2017 Dodge ram 1500 pickup truck from the low bidder, Capital Chrysler Dodge Jeep Ram, for \$22,872 and sell the vehicle it would replace, a 2006 Ford Explorer on GovDeals.

**EXPLANATION:** The 2017 budget includes \$28,000 for the replacement of a 2006 Ford Explorer. The Explorer has 123,200 miles on it. It requires some sort of repair every 2-3 months. Some recent repairs include; heater control motors, brake hardware, wheel speed sensors, front and rear suspension, struts, u-joints, transmission and transfer case. The vehicle has a history of radiator failure, which costs \$200-\$300 each time. There are rust issues on the body. MoDOT has solicited and received 15 bids for a 2017 4WD ½ ton pickup truck. These prices are offered to municipalities through the state cooperative procurement program.
