RE: Greens Mower Purchase

DEPARTMENT: Parks and Recreation

PROGRAM: Golf

RECOMMENDATION: Staff recommends purchase of a new Jacobsen riding greens mower from the low bidder, Turfwerks-Scotts, in the amount of \$35,187.00.

EXPLANATION: \$37,000 was budgeted for the purchase of a new riding greens mower to replace the existing 15 year old greens mower that is no longer capable of delivering the cut that players expect. The hydraulic system has been re-built several times in order to avoid hydraulic fuel leaks on the greens, which would be catastrophic. The new mower is designed without hydraulic hoses, pumps, etc.

Bids were formally advertised and three sealed bids were received and opened on Friday, February 16, 2018 as follows:

Bidder	Greens Mower Base Bid	Trade-In	Net Greens Mower Purchase Cost
Turfwerks-Scotts	\$36,687	\$1,500	\$35,187
Burriss Equipment	\$43,817	\$500	\$43,317
Kansas Golf & Turf	\$41,662.40	\$0	\$41,662.40

If awarded, we would anticipate delivery within 3 weeks.
