RE: Pool Chemical Bids

DEPARTMENT: Parks and Recreation

PROGRAM: The Pointe and North Pointe

RECOMMENDATION: Staff recommends awarding a contract to purchase pool chemicals from the lowest of three bidders, Hawkins Inc., not to exceed \$32,000 for the year.

EXPLANATION: \$32,000 is budgeted in the 2018 operating budget to purchase chemicals, primarily sodium hypochlorite (liquid chlorine) for use in our pools to provide a clean and safe environment for our users. The amount of chemicals used in any given year varies depending on weather and other conditions.

RFP 15-18 was formally advertised and three sealed bids were received on February 23, 2018, as follows:

Vendor	Sodium Hypochlorite	Muriatic Acid
Hawkins, Inc.	\$1.30/gallon	\$2.55/gallon
Pool Pros	\$1.60/gallon	\$5.20/gallon
Univar	\$1.75/gallon	No Bid
