

# **CONSENT ITEM**

**RE:** GOLF COURSE CHEMICALS

**DEPARTMENT:** PARKS AND RECREATION

**PROGRAM:** GOLF COURSE

**RECOMMENDATION:** Award purchase to the lowest unit priced vendor that meets specifications on an as needed basis; based on weather and playing conditions not to exceed budgeted amounts

**EXPLANATION:** A Request for Proposal was prepared by Golf Course Superintendent Crocker to seek pricing for the purchase of fertilizers, fungicides, herbicides, and miscellaneous chemicals to be used during the upcoming golf season. The RFP was advertised on the city's website, in the St. Louis Business Journal, and sent to several local providers of golf course chemicals. On February 24, 2015 five sealed bids were received and opened.

A total of \$40,685 was budgeted for chemicals this year, the same as in 2014; including \$14,865 for herbicides/insecticides, \$17,000 for fungicides, and \$9,000 for the purchase of fertilizers. Attached is a spreadsheet of the results. Weather conditions will dictate which chemicals will be needed as well as the quantities. Also, as in the past, fertilizer prices are only good for 30 days. Regardless, staff is recommending purchase of chemicals from the lowest unit based bidder in each category.

If you have any questions, please let me know.

**SUBMITTED BY:** LINDA BRUER, CPRP  
DIRECTOR OF PARKS AND RECREATION

**DATE:** MARCH 2, 2015
