

Staff Report

Subject: Body Camera Program

Department/Program: Police Department

Explanation:

Request permission to move forward with the purchase and implementation of the Body Worn Camera program. This is a Single-Source purchase because it is an enhancement of our current in-car camera system from the same manufacturer, Watch Guard.

We have budgeted \$37,000 from the Asset Forfeiture Fund. The cost the cameras and charging/download stations is \$36,502. Individual mounting brackets are an additional cost but we will still come in within the budgeted amount.

Recommendation:

I recommend we move forward as planned.
