RE: Auctioning of surplus vehicles

Department/Program: Police Department

Explanation: The following vehicles are no longer in use by any city department:

2006 Ford Escape, VIN 1FMYU93166KC66051, Mileage: 95,951 (Building Inspector Vehicle)

2016 Ford Police Sedan, VIN 1FAHP2MK6GG137151, Mileage: 101,086

2016 Ford Police Sedan, VIN 1FAHP22MK3GG137155, Mileage: 112,116

Recommendation: Due to the high mileage, excessive repair costs and lack of need I am recommending these vehicles be removed from the City of Ballwin inventory and sent to auction, as is customary.
