# From Your Mayor

Shortly after the last issue came out in May, St. Louis County announced it was reducing its Covid-19 restrictions based on new CDC guidance. While I understand things won't be quite the same as before, this was incredibly exciting to hear after the long and challenging 14 months we'd all endured. The possibility of having a sense of "normalcy" in our

community this summer was energizing.

Even in the face of uncertainty, our City staff worked tirelessly over the winter and spring months to create and plan activities for the community to enjoy this year. Their hard work and determination definitely paid off, because we had a jam-packed schedule of events and programs this summer. Our summer camps were nearly full every week, golfers were out almost daily at our Golf Course, and although we experienced a colder than normal opening weekend, North Pointe has been exceptionally busy. This past June, our Police Department was also able to hold their first "Coffee with a Cop" in over a year.

Over the next few months, we will be hosting several of our fan-favorite events, including Ballwin Days, our Fall Concert and Movie Series, the Moonlight Howl, Tons of Trucks, and our Craft Beer Festival. I am especially excited to hold this year's Ballwin Days, as this will be the 43rd year that this festival has been a part of our community. More information on Ballwin Days, including dates and an event schedule, can be found on page 8 of this issue.

So as you and your family start getting out and about this fall, I encourage you to check out one (or all) of these events! And, as always, please continue to Shop Ballwin First and support all of our local businesses, shops, and restaurants.

## P'Sghetti's Pasta and Sandwiches

In 1987, the P'Sghetti's on South Lindbergh opened with two simple goals in mind: to provide quality food at affordable prices and to offer outstanding customer service. Since then, the business has grown to three locations in the St. Louis area, with the most recent one opening in Ballwin last October. Their sweet, fresh-baked, homemade bread and family recipe for perfect red sauce is the foundation at P'sghetti's. The restaurant offers sandwiches, pasta, salad, and much more - including catering! Michael Brannan and Darren Greer, owners of the Ballwin location, say "Ballwin is a tight-knit community that loves to support each other. We love being a part of such an awesome community."

## Kabuki Sushi & Thai

Sushi chef Lingzhiwu opened Kabuki Sushi & Thai in 2011. The restaurant offers authentic and delicious tasting Japanese & Thai cuisine in Ballwin.

"Kabuki's convenient location and affordable prices make our restaurant a natural choice for eat-in or take-out meals in the Ballwin community. Our restaurant is known for its variety in taste and high-quality, fresh sushi. Come and experience our friendly atmosphere and excellent service."

The restaurant, which has four employees, is located right off of Manchester Road, in front of Target.

## Mosquito Shield

Many members in Arthur and Michele Harmon's family have extreme reactions to mosquito bites - including their daughter, who sometimes needs an epi-pen if she gets bitten. For this reason, they always limited their time outside. That is, until they opened Mosquito Shield of West St. Louis in 2021. Mosquito Shield of West St. Louis is a completely family-owned and operated business which offers residential, commercial, and event mosquito and tick control.

The Harmons love living and working in Ballwin. "We have raised our family here and are now happy to be able to bring Mosquito Shield of West St. Louis to Ballwin."

# Zero Property Tax

For the past 34 years, the City of Ballwin has maintained a 0% property tax. We are one of the few municipalities in St. Louis County to do that. This means our city services are financed primarily by sales taxes, utility taxes, and revenues collected from our recreational facilities, programs, and special events!

Now, you may be saying to yourself, "wait, I know I pay property taxes every year." Well, you do... but none of it is collected by the City. If you live in Ballwin, the property tax you pay is actually levied by a range of other entities, including:

- The State of Missouri
- St. Louis County
- St. Louis Community College
- St. Louis County Library District
- Special School District
- Metropolitan Zoological Park and Museum District
- Sheltered Workshop
- Metropolitan St. Louis Sewer District
- Your Fire Protection District (either Metro West, Monarch, or West County EMS)
- Your School District (either Parkway or Rockwood)

The City of Ballwin contracts with an independent trash collection service, Republic Services. You may set up utilities with any company who provides the respective service. The City of Ballwin does not control any of the water, electricity, gas, or sewage services.

# Public Works FAQs

**Got questions? We have answers!** Below, you'll find answers to some of the most common questions our department receives. Most information about our department can be found on the website, but if there's something specific you want to know - just ask us! You can contact our department at [pw@ballwin.mo.us](mailto:pw@ballwin.mo.us) or (636) 227-9000 (option 2).

**Q: The streetlight near my house is not working properly. Who do I contact?**

**A:** The City does not handle streetlight outages. AmerenUE is contracted by the City to maintain streetlights. You can contact AmerenUE at (314) 342-1000.

**Q: Where can I find information on major road projects happening in the city?**

**A:** On our website, you can find dedicated project pages on our upcoming major street projects, including our 2021 Holloway Road Resurfacing Project and 2022 New Ballwin Road Resurfacing Project. These can be found in the Public Works Projects section on our website.

**Q: I live in a condo in Ballwin, why do I not receive leaf pickup?**

**A:** Our annual leaf collection service is provided exclusively for customers of the City's contracted waste hauler, Republic Services, per our contract. For that reason, leaves are not collected from any multi-family units such as condominiums, apartments, or villas.

**Q: I submitted a request for service, can you let me know when it will be complete?**

**A:** Once you submit a request for service, we dispatch a supervisor to assess the issue and will create a work order if appropriate. Unfortunately, we are never able to give an estimated start or completion date for work orders, as there are a variety of factors at play including weather, severity, manpower, equipment, etc.

More Public Works FAQs can be found on our webpage at [www.ballwin.mo.us/Frequently-Asked-Questions/](http://www.ballwin.mo.us/Frequently-Asked-Questions/)

# Chief's Corner

Within the Ballwin Police Department, we have a number of different divisions and units. Our largest unit is the Patrol Division. Those are the uniformed officers you see every day patrolling your streets, and who are usually the first law enforcement officers on the scene of police calls. Another unit, and the focus of this article, is the Division of Criminal Investigation (DCI), a.k.a. the Detective Bureau.

The Ballwin Police Department's DCI is comprised of a Sergeant and four Detectives. These officers begin their careers as Patrol Officers for a number of years, and then can request assignment to the DCI when an opening exists. Their job is to gather facts and evidence in criminal cases that go beyond the scope of the job of a Patrol Officer.

The cases they investigate come from three main sources. The first, and most common, are cases referred to them from the Patrol Division. If a case can be handled within a couple hours, the Patrol Officer will generally work that case to completion. Cases wherein a suspect has yet to be identified, or the case will take an extensive number of hours to work, are forwarded to the DCI.

The second source of cases for our detectives are referrals from other agencies. It is not unusual for another police department, or even a federal law enforcement agency, to pass their investigation on to our detectives when they find that their case has some type of link to the City of Ballwin. Our detectives will either take over the case or simply assist that other agency. The third source is from the public. There are some cases that we may assign to a detective immediately, rather than a patrol officer, because we know the case will eventually be referred to the DCI. These may include Frauds, Sexual Assaults, Identity Theft, and so on.

So what is the volume of work handled by our DCI? In 2020, our police officers responded to over 1,300 calls for service that resulted in over 1,150 police reports being written. Of those 1,150, over 300 were referred to the DCI. And each year, our detectives' clearance rate (cases solved) surpasses the national average.

From television shows, being assigned as a detective may seem like a glamorous position, but our detectives work long hours piecing together complex puzzles. I may be a bit biased, but I can honestly say I have the greatest confidence in our DCI and I am proud of the work they continue to do every day!

- Chief Doug Schaeffler

# History of the Ballwin PD

The Village of Ballwin appointed Fred Rethmeier as its first Marshal on January 5, 1951. After Rethmeier, Marshals were elected to that position. Hermann Baumer was elected Marshal of Ballwin in 1957 which is also when Ballwin became a fourth-class city. Baumer coordinated the purchase and installation of a base radio station and his wife, Lucille, handled the phone calls. Lucille used a porch light to regularly signal Hermann to return to his home at 539 Manchester Road in reference to a call for police assistance. In 1958, the City purchased its first police car, which was shared by Baumer and the four officers who worked part-time in the evenings. In 1959, George Arft was hired as the first full-time police officer.

On April 27, 1964, the City of Ballwin formed a full-time police department appointing Philip St. Onge as the first Chief of Police; he served until 1965. The Department purchased its second marked patrol car that same year. Chief St. Onge resigned in 1965 and Donald "Red" Loehr, a native son and an ex-Cardinal-baseball-player-turned police officer, was appointed as Chief of Police by Mayor Robert Jones. In 1967, a Communications Section was added to the Police Department and four dispatchers were hired. In 1970, the force had 12 uniformed officers and four marked cars. After serving for 35 years, Chief Loehr retired in 1997 and James Biederman served as police chief until the end of 2007. The Police Department building was named after Chief Loehr in 2002. Steven Schicker served as Chief of Police from March 2008 - December 2015. He was succeeded by Kevin Scott, who was sworn in as Chief of Police and served in that role from April 2016 - August 2019. Doug Schaeffler has been serving as the Ballwin Police Chief since December 9, 2019.

Today, the Department consists of 48 Commissioned Officers, 11 Communications Officers, and an Administrative Clerk who serve the communities of Ballwin and Winchester.

## Police Car To Chief St. Onge Delivered By Essen Chevrolet

PHIL ST. ONGE, Chief of Police of Ballwin, happily receiving delivery of Ballwin's 9th new Police Car, a 1964 Don Essen Chevrolet. Frank Kiddoo, Sales Manager of Don Essen Chevrolet, handled the delivery. Don Essen is very pleased to be a witness to this special delivery because he delivered Ballwin's first Police Car — a 1958 Chevrolet.  
Chief St. Onge has been with the Ballwin Department over 21 months during which period significant growth and organization have been accomplished. The Police travel over 84,000 miles a year while patrolling Ballwin's streets. When asked what was unusual about the 1964 Chevrolet just traded Chief St. Onge replied: "I think it is remarkable to trade this car with its original brake lining 69,013."

# Promotions & Retirements

Spring of 2021 brought many happy changes to the Ballwin Police Department. Lieutenant Kevin Lorne entered retirement on April 30, 2021, after serving the City of Ballwin as a police officer for 33 years. Lt. Lorne's dedicated service left a mark on the department and the City, as he served as a Patrol Officer, Detective, Patrol Sergeant, Detective Sergeant, Patrol Lieutenant, Special Operations Lieutenant, and Lieutenant of the Professional Standards Division. He was promoted to Sergeant in 1999, and had served as a Lieutenant since 2004.

Rob Wetzel was promoted to the rank of Lieutenant to fill the spot vacated by Lt. Lorne. Lt. Wetzel has served with the Ballwin Police Department since 1996. Lt. Wetzel is tasked with moving the Department forward with attaining CALEA accreditation in addition to maintaining the Department's Missouri Police Chief's accreditation.

Rob Rogers was promoted to the rank of Sergeant to fill the spot vacated by Lt. Wetzel.

Sgt. Rogers has also served with the Ballwin Police Department since 1996. Sgt. Rogers has been assigned as the supervisor to a patrol squad.

We are thankful for the work Lt. Lorne put in over the past three-plus decades and wish him and his family a happy retirement. We are also proud of the accomplishments of Lt. Wetzel and Sgt. Rogers (pictured below) and look forward to watching them move our department forward in their new roles.

# Relay App

New for Ballwin Days 2021, the Ballwin Police Department has entered into a trial program with a notification application called Relay App to provide notifications and emergency communication with park-goers and Ballwin Days attendees during this year's festivities. This application can be downloaded on any mobile device by scanning the QR code shown below, or by downloading the **Relay: Neighborhood Safety** app from your device's app store.

Relay is a community engagement platform that helps connect first responders with the citizens they serve, creating a space for community protection to thrive. Relay's products create easy avenues to help, report, and communicate in real time, while putting privacy first. Send one-to-one communication for non-emergency incidents to your local law enforcement agency and see trends in the places that matter to you. For more information and to download the Relay App you can visit [www.relayapp.com](http://www.relayapp.com).

The goal for this communication tool at Ballwin Days 2021 is to be able to quickly disseminate information to park-goers about a variety of potential safety concerns including weather incidents, missing persons, and any other information that will have an impact on the safety of those attending any portion of Ballwin Days. Bringing a fun and safe Ballwin Days to the community is our number one priority.

# Ferris Park Project

Our Ferris Park Project is officially complete! New park amenities include .35 miles of trails (including a multi-use pathway), expanded parking lot, redesigned recreation field, and an outdoor fitness structure.

As many of you know, we began construction on this project last October. The decision to update Ferris came after we received input during our Parks Master Plan, in which our community recommended access to the playground from the parking lot, additional parking, and walking trails. Additionally, the Parks Master Plan surveyed our residents, who identified walking/jogging, visiting nature area, and fitness as some of the most important activities in their household. Then in 2019, the City was awarded a grant of \$525,000 to be used for park development, which we put towards implementing these recommendations at Ferris Park.

Our team will continue working hard to provide beautiful community parks for you, your family, and your friends to enjoy. We have plans to update our entire parks system, including Vlassis, Holloway, and New Ballwin, over the next few years. In the meantime, we hope you come and check out our beautifully-updated Ferris Park. Can't wait for you to see it!

### Fitness Center

The Pointe is home to a state-of-the-art fitness center including a full-service cardio section, Cybex circuit, and free-weight area. Whether your goal is to find a gym to help you build strength, lose weight, or just have a safe place to walk on an indoor track near your home, you need to get to The Pointe.

### Indoor Pool

The indoor pool at The Pointe features three lap lanes, a two-story water slide, an indoor water playground, lazy river, and vortex. The Pointe offers swim lessons, water aerobics, and more. Please review the Indoor Pool Schedule on our website to ensure the pool is open for the purpose you wish to use it.

### Fitness Classes & Personal Training

Our fitness center offers a number of different classes available to both patrons and guests. Group Fitness classes are included with any membership. They are provided on a first-come, first-served basis and do not require registration. Visit the Fitness Center page on our website for more information or to view the current Group Fitness and Spinning Class Schedules.

The Pointe has four personal trainers on staff to help you reach your fitness goals. If you want personalized, one-on-one attention to keep you safe and accelerate your fitness progress, consider working with one of our certified trainers.

# Scholarships & Sponsorships

**Scholarships** - We are working hard to ensure everyone has the opportunity to participate in essential programming, such as summer camps, swim lessons, and more. Qualifying families can participate in programs with the assistance of scholarship funds. Funds are limited each year and are offered on a first-come, first-served basis. Families who are interested in applying for financial assistance for these programs should first verify they meet the requirements listed on the application, and then fill out the form on our Scholarship Fund webpage ([www.ballwin.mo.us/Scholarship-Fund/](http://www.ballwin.mo.us/Scholarship-Fund/)) and return it in a sealed envelope to The Pointe at Ballwin Commons (attn: Matt Struempf), #1 Ballwin Commons Circle, Ballwin, MO 63021.

**Sponsorships** - Every year, our department puts on countless programs and events for our community. This means there are several sponsorship opportunities available for organizations and businesses of all sizes and partnership capabilities. Our department will work with you individually to find the perfect sponsorship option for you. Our sponsors help make our events possible and allow us to continue providing the quality parks & recreational services our community enjoys. Interested? Email Matt Struempf at [mstruempf@ballwin.mo.us](mailto:mstruempf@ballwin.mo.us).

## Summer Classic Golf Tournament

The Ballwin Summer Classic Golf Tournament is a two-day, 18-hole, three-person team scramble. Shotgun tee times are at 6:30 a.m. or 1 p.m. (same tee time each day). The entry includes greens fees, carts, lunches, and prizes (three places in four flights). Register online.

**Date:** Aug. 21 - 22

**Time:** 6:30 a.m. or 1 p.m.

**Fee:** \$420/team of 3

**Ages:** 18+

**Location:** Ballwin Golf Course

## Nine and Dine Scramble

Our Nine and Dine will be a sight to behold. Our goal for this monthly extravaganza will be to create a fun and inviting atmosphere for all skill levels to come out and golf! It will be a team of two, paired with another four-person scramble. A small prize will be going out to the team with the best score, but the main prize of the evening will go to the team who decorates their golf cart and themselves the best. We will be bringing in a food truck each time to add to the fun! Please show up by 5 p.m. to decorate your cart and enjoy the food. The shotgun start will begin at 6 p.m. (maybe earlier) on the patio with music and awards for the evening. Theme for August – Island Getaway! Dress yourself and your cart in any way you want! Get creative! Ask for our drink special the day!

**Date:** Aug. 27

**Time:** Tee times begin at 6 p.m. (come early to decorate your cart)

**Fee:** VIP \$80, Reg \$85/team of 2

**Ages:** 18+

**Location:** Ballwin Golf Course

## Ballwin Days Dice Roll Tournament

Here is a chance for you and your family to take on the Ballwin Golf Course and see if your team's luck is better than the rest! Each team will roll a die on the tee box which will direct them to a certain tee to hit from. After the team has their ball on the green, roll another die which will direct you to putt to one of three holes on that green. Every team will play a round of golf that is specific only to them! See who has the best luck and will take home the prize! One female or youth (16 or younger) is required per team.

**Date:** Aug. 28

**Time:** 9 a.m. - 4 p.m.

**Fee:** \$220/team of 4

**Ages:** All

**Location:** Ballwin Golf Course

# Parks & Pavilions

The summer and fall seasons are the perfect time to get outside and grab some fresh air! Lucky for you, you don't even have to leave our city limits to find the perfect place to have some outdoor fun. Our five community parks have a wide range of amenities (see table below) for you to enjoy with your family and friends.

We also offer pavilion rentals every year from April - October (reservations need to be made in person at The Pointe). 2022 pavilion rentals begin January 1, 2022. More information on our five community parks can be found on our website at [www.ballwin.mo.us/About-Our-Parks/](http://www.ballwin.mo.us/About-Our-Parks/).
