RE: PICKUP TRUCK REPLACEMENT

DEPARTMENT: PUBLIC WORKS

PROGRAM: SUPPORT SERVICES

RECOMMENDATION: We recommend purchasing a 2016 Ford F-150 extended cab 4x4 pickup from the low bidder, Dave Sinclair Ford, for \$25,737.00 AND sell the old pickup truck on GovDeals.

EXPLANATION:

The 2016 budget includes the replacement of a 1998 Chevrolet S-10 pickup truck (Unit #207) with 70,797 miles (as of December 28, 2015). MoDOT has solicited and received 14 bids for 2016 pickup trucks. These prices are offered to municipalities through the state cooperative procurement program. The summary of the bids is as follows:

BIDDER	MODEL	COST
<i>Dave Sinclair Ford (St. Louis, MO)</i>	<i>F-150</i>	<i>\$25,737</i>
Don Brown Bid B (St. Louis, MO)	Silverado 1500	\$26,357

Midway Ford (Kansas City, MO)	F-150	\$29,700

MoDOT's cooperative procurement program does not provide for trade-in of the old pickup truck. We expect its value to be about \$1,500.
