RECOMMENDATION: We recommend awarding this unit price contract to the low bidder, M&H Concrete Contractors, Inc.

EXPLANATION: The 2016 budget provides for mill/repave of asphalt surfaced streets, slabs on exposed concrete streets, and sidewalk replacement and upgrading of curb ramps to current ADA standards. Mill/repave consists of two separate bids and contracts. One for existing asphalt removal (milling) and slab and sidewalk replacement. The other contract is for placement of a new asphalt surface (refer to asphalt overlay memorandum).
