To: Chief Schicker

From: Sgt Fisher

Subject: 2014 Double Fine Street Report

---

---

Sir,

As instructed I have collected the data you requested for the double fine streets located in Ballwin.

Attached you will discover the report which was generated from the data.

This report reflects the number of traffic surveys conducted along with the citations issued during the surveys. It also consists of the number of citizen's complaints on these streets and the number of traffic accidents and the contributing circumstances. All accidents were physically looked at again to verify the accident occurred on the double fine street and not just referenced as a cross street.

Please let me know if you need any further information.

Respectfully submitted,

Sgt. Fisher, DSN #251
