RE: Pointe Cabinetry/Millwork Bids

Formal bids were solicited for the re-construction of the front desk and meeting room cabinetry and countertops at The Pointe along with alternate pricing to re-face the cubbies in the gym and the fitness desk. Despite meeting with several companies and follow-up e-mails and phone calls, only two bids were received as attached.

Staff is recommending award to the lower of the two bidders, St. Louis Woodworks, in the amount of \$62,791 to include the base bid and the two alternates. Funds are available in the overall project budget to cover the cost of this portion of the project.

If you should have questions or need more information, please let me know.
