

CONSENT ITEM

RE: PICKUP TRUCK REPLACEMENT

DEPARTMENT: PUBLIC WORKS

PROGRAM: SUPPORT SERVICES

RECOMMENDATION: We recommend purchasing a 2014 Ford F-250 pickup from the third low bidder, Dave Sinclair Ford, for \$32,008 AND sell the old pickup truck on GovDeals.

EXPLANATION:

The 2014 budget includes the replacement of a 2001 Dodge Ram 1500 pickup truck (Unit #202) with 138,868 miles (as of January 17, 2014). MoDOT has solicited and received 14 bids for a 2014 pickup truck. These prices are offered to municipalities through the state cooperative procurement program. The summary of the bids is as follows:

BIDDER	MODEL	COST
Putnam Chevrolet *	Chevrolet Silverado 2500	\$27,192.00
Blue Springs Ford *	Ford F-250	\$31,817.00
Dave Sinclair Ford	Ford F-250	\$32,008.00
Joe Machens Capitol City Ford	Ford F-250	\$32,064.00
Joe Machens Ford	Ford F-250	\$32,088.00
Shawnee Mission Ford	Ford F-250	\$32,164.00
Gem City Ford	Ford F-250	\$32,290.82
Republic Ford	Ford F-250 XL	\$32,498.00
Broadway Ford Truck	Ford F-250	\$33,048.00
Lou Fusz Ford	Ford F-250	\$33,747.00
Lou Fusz GMC	2015 GMC Sierra HD2500	\$35,137.00
Don Brown Chevrolet	Chevrolet Silverado	\$35,710.00
Roberts Chevrolet Buick	2015 Chevrolet Silverado	\$36,436.00
Lou Fusz Chrysler Jeep & Dodge	Dodge Ram 2500	\$37,460.00
BUDGET		\$32,000.00

* The two low bidders do not meet our specifications. Putnam Chevrolet does not offer a diesel engine. Blue Springs Ford does not offer limited slip rear axle.

MoDOT's cooperative procurement program does not provide for trade-in of the old pickup truck. We expect its value to be about \$1,500.
