Shop Ballwin First

Ballwin's Community Discount Passport program

Ballwin is a community of many interests; however, we have one thing in common: shopping in Ballwin not only helps the employees and owners of businesses stay viable, but contributes sales tax dollars to the city for essential services. It is the city's primary source of revenue.

The Pointe at Ballwin Commons

www.ballwin.mo.us

636-227-8950

Ballwin Business Passport

How does it work?

In order to receive a discount, simply show your Ballwin resident ID card or Pointe at Ballwin Commons membership card to the participating merchant. Each business has chosen their offer and designed it to meet the needs of their business. These discount offers can not be used in conjunction with other discounts or coupons. Please consider shopping in Ballwin First-while you enjoy the savings!

How do I get a resident ID card or key fob?

- A Ballwin resident ID card or key fob can be purchased at The Pointe or North Pointe Aquatic Center. Just bring in an unpaid gas, water, electric or sewer bill to prove residency.
New ID card-\$5/person
Renewal ID card-\$1/person
- Or become a member of The Pointe at Ballwin Commons and you will receive your key fob too!

Want to sign up your Ballwin Business?

Here is how it works. The city's resident/membership ID key fob used to enter Ballwin recreation facilities (community center, outdoor pool, and golf course) will serve a dual purpose. Not only will it allow holders discounted rates to recreation facilities but it will also serve as their passport to discounted prices at your business.

You as a Ballwin merchant, will decide the discount that will be observed at your place of business. Whatever discount you decide to offer passport holders, will be good for one year from the date you enter the program.

For more information contact Recreation Specialist, Jessica Crawley at The Pointe at Ballwin Commons at 636-207-2359.
