RE: Vlasis Park Tennis Court Sealing and Striping

Formal bids were solicited for the crack repair, sealing and striping of the four tennis courts in Vlasis Park. \$18,750 was budgeted for these repairs. Attached are the bid results.

Staff is recommending award to the second low bidder, Frazier- Davis, a local firm in the amount of \$18, 252. The low bidder, Pro Track and Tennis is from Bennington, Nebraska and while they are a \$1,000 cheaper, staff believes Frazier Davis to be the better bid in case there is any follow up work on the job. In addition, the city has had good results with Frazier-Davis' work in the past.

If you would like more information with regard to this project or recommendation, please let me know.
