A Letter from the Mayor #BallwinStrong

Dear Friends and Neighbors,

On July 8 the Ballwin community was shaken by a terrible event. A member of our Ballwin family was attacked and severely injured during a routine traffic stop. While the eyes of the region were upon us watching how we would respond, this community rose up and came together like never before. Rather than respond in a negative manner, they picked our officers up and supported them through this time of great tragedy and need. The residents and businesses have provided aid and support to our entire department when it was needed most. They brought them food to give them strength, tied a simple blue

Mayor Tim Pogue

ribbon to show appreciation and support for the difficult job they do each and every day to keep us safe, and gave them hugs, cards, and posters to show their love and compassion. The outpouring of support has been overwhelming.

I want to thank every member of this community for what they have done and for all the prayers for Mike Flamion and his family. What we have witnessed the past weeks proves that even a tragedy of this magnitude cannot diminish the love and support we all share for this great community. In fact, based on all we have witnessed thus far, I'm confident we will grow even stronger. Thank you for your continued prayers and support for Officer Flamion, our department and this great city. We are no doubt, as Chief Scott put it, #BallwinStrong.

Sincerely,
Tim Pogue, Mayor

The City of Ballwin would like to thank Tom Aiken for his 37 years of dedicated service as the Assistant City Administrator and City Planner. Mr. Aiken retired on Wednesday, August 31.

FREE Curbside Leaf Collection Program begins on October 24

The Ballwin Public Works Department will begin its free residential curbside leaf collection program on October 24. Leaves raked sooner can be put in appropriate yard waste bags or containers for pickup on yard waste collection days by the City's contracted waste hauler.

Unlike trash collection, we cannot guarantee which day of the week your leaves will be collected. Crews will be collecting leaves Monday through Friday, on both sides of Manchester Road. Crews will begin each day where they ended the day before. Once leaves have been collected on all streets they will begin another pick up cycle. There will be NO pick up on November 24 and 25 due to the Thanksgiving holiday. Progress maps will be on the Ballwin website. These maps will show the streets where leaves have been collected and where each crew will begin the next day.

Due to weather conditions and sheer volume your leaves may NOT be collected each week or the same day of the week. This service may be curtailed due to adverse winter weather conditions.

The final pick up will begin the week of November 28. However, to assure your leaves are collected during the final week you should rake the leaves to the curb

no later than Sunday, November 27.

Please do not park on top of or in front of leaf piles. Leaves that are not accessible can not be collected until the next cycle through the City. Crews cannot return to missed piles.

To minimize leaves washing into the sewers or becoming saturated during rainfall do not put them in the gutter. For safety reasons, leaves will only be vacuumed from the passenger side of the truck. Drivers are prohibited from driving in the wrong direction towards oncoming traffic. Therefore, leaves cannot be vacuumed from cul-de-sac islands or median islands. Also, leaves cannot be vacuumed if vehicles are parked on or in front of the leaf pile.

As a reminder, this service is only provided to customers of the City's contracted waste hauler. Properties that have a separate contract are excluded from the City's curbside leaf collection. Residents are also reminded that leaves will be picked up by the trash hauler as part of their yard waste collection provided they are put in yard waste bags or separate marked containers.

For the safety of the workers and the equipment, sticks, plants, root balls, metal objects, bricks, logs and animal waste must be kept out of the leaf pile. Piles of leaves with such debris will NOT be collected to avoid injuries and equipment damage which will cause delays. Also, do not block fire hydrants, storm drains, or mailboxes. separate containers.

FREE admission

Come and pick up great deals on all gently used books. Proceeds will benefit the maintenance of the original Ballwin School House.

Deer Hunting within the City of Ballwin

The Ballwin Police Department would like to remind residents that deer archery hunting will only be permitted in the City of Ballwin from September 15, 2016 to January 15, 2017 in accordance with Missouri Department of Conservation Regulations.

Longbows and compound bows are the only permissible methods to be used. Per city ordinance, crossbows will not be permitted. All hunters must be at least 18 years of age.

A packet containing the complete ordinance, guidelines for hunters and property owners, and required forms can be picked up from the Ballwin Police Station during business hours or can be downloaded by visiting the City of Ballwin website.

Please contact Officer Steve Morrison at 636-207-2318 or at smorrison@ballwin.mo.us for more information.
