RE: POINTE POOL DECK RESURFACING

DEPARTMENT: PARKS AND RECREATION

PROGRAM: THE POINTE

RECOMMENDATION: Award contract to the lowest of the three bidders, Bazan Painting, in the amount of \$15, 212.

EXPLANATION: \$32,000 was budgeted to paint the walls, columns, and play structures of the indoor pool in 2016. Because the original broom-finished concrete has worn smooth in a number of places; causing some slip and falls on the deck, it is proposed for safety reasons to complete the deck re-surfacing project this year and postpone the painting until next year. The RFP was advertised and three sealed bids were received as follows:

Bazan Painting	Decorative Concrete Resurfacing	Pool Pros
\$15,212	\$20,288	\$23,200

Bazan Painting had one OSHA violation in 2013 but the city has worked with Bazan on numerous projects; all being successful with no incidents. Therefore, staff is recommending award of the contract to Bazan.
