

CONSENT ITEM

RE: MICROSURFACING

DEPARTMENT: PUBLIC WORKS

PROGRAM: PAVEMENT

RECOMMENDATION: We recommend awarding the unit price contract to Donelson Construction.

EXPLANATION: In 2015 Donelson Construction of Clever, MO demonstrated their patented microsurfacing pavement treatment on Graywood Drive and White Acre Court. This treatment has been used by the city of Rolla, MO for several years with satisfaction. Several cities, St. Louis County, and MoDOT were present during the demonstration last year. The cities of Kirkwood and Ballwin budgeted funds for this treatment. Kirkwood solicited bids with a clause that the bidder would honor their bid for other interested cities.

On March 1, 2016, Kirkwood received and opened two bids; Donelson Construction and Missouri Petroleum. Kirkwood rejected Missouri Petroleum's bid for not meeting the bid specifications. At their April 7, 2016 meeting, the Kirkwood city council awarded the contract to Donelson Construction.

Based on Donelson's unit price bid, Ballwin's cost will be \$198,125.67. The 2016 budget amount is \$202,504.00.
