From: Linda Bruer, Director of Parks and Recreation

Date: February 2, 2017

RE: North Pointe Slide Renovation

\$20,000 was budgeted in the 2017 operating budget to re-align and refinish the interior of the enclosed two-story water slide at the North Pointe Aquatic Center. Over time some shifting occurs in the structure that allows for a less than smooth ride. This refinishing will allow for a seamless ride down the slide.

The request for proposal was advertised and three sealed bids were received and opened on January 25, 2017.

1. Astratek-\$14,300
2. Slide Care, LLC-\$17,228
3. Safe Slide Restoration-\$27,450

The low bidder, Astratek, cannot provide a performance bond nor insure that the project can be completed prior to the opening of the season. Therefore, staff is recommending award to the second low bidder, Slide Care, LLC in the amount of \$17,228.00.

Slide Care, LLC has no OSHA or wage rate violations and references checked were satisfactory.

If you need more information regarding the recommendation, please let me know.
