

MEMORANDUM

TO: ROBERT A. KUNTZ, CITY ADMINISTRATOR
FROM: GARY R. KRAMER, P.E., CITY ENGINEER/DIRECTOR OF PUBLIC WORKS
DATE: FEBRUARY 10, 2015
SUBJECT: KEHRS MILL ROAD PONDING REMEDIATION

RECOMMENDATION: We recommend awarding the contract to the low bidder, Krupp Construction.

EXPLANATION: Water ponds on Kehrs Mill Road in front of Essen Place subdivision. The ponding is due to this "flat" section of the roadway. To avoid utility conflicts, a slotted drain pipe will be installed in the curb and gutter and piped to a downstream curb inlet. This condition has prevailed for several years.

Invitations to bid were sent to 13 contractors, Reed Construction Data, and FW Dodge Reports. We advertised in the St. Louis Business Journal and on the City's website. The bid specifications are on file in the Public Works Department. On February 6 2015 two bids were received and opened. The results are as follows:

Bidders	Cost
Krupp Construction	\$17,460.00
Spencer Contracting Co.	\$25,981.85
BUDGET	\$20,000.00

Krupp Construction has no known OSHA violations during the past three years.
