

City of Ballwin, Missouri
Department of Parks and Recreation
RFP 26-16 Golf Course Restroom Modernization

ADDENDUM #1

This Addendum #1 is issued to modify and/or clarify the original Request for Proposal (RFP) 26-16 for the Golf Course Restroom Modernization project. This document should be signed and included in the firm's RFP document when submitted by the due date.

1. Revised Material Specifications

The following material requirements are hereby added to the project scope for both the Men's and Women's restrooms at the Ballwin Golf Course Event Center:

Item	Specification
Restroom Floors	12" x 18" body-through porcelain tile.
Restroom Walls	12" x 4" body-through porcelain tile.
Countertops	Quartz countertops to be installed in both Men's and Women's restrooms.

This document should be signed and included in the firm's RFP document when submitted by the due date.

Questions with regard to this addendum should be directed to Rob Jones, Superintendent of Parks at 636-227-8950 or rjones@ballwin.mo.us
