RFQ Vlasis Park Master Plan & Holloway Park Design & Specifications

ADDENDUM #2

Firms submitting qualifications should understand the request for information listed in “The Scope of Services” under the “Vlasis Park” section on page seven (7) of the request for qualifications document. Once a firm is selected and the scope of work is being negotiated the firm should expect to include a preliminary needs assessment for the expansion of the public works yard and park expansion on the old police department site.

This document should be signed and included in the firm’s RFQ document when submitted by the due date.

Questions with regard to this addendum should be directed to Chris Conway, Director of Parks and Recreation at 636-227-8950 or cconway@ballwin.mo.us
