From Your Mayor

Hope you and your family are enjoying your summer! It's August, and the highlight of August for me is the Ballwin Days Festival!! Mark your calendars for August 13th to 16th and join us for the fun in Vlasis Park. There will be rides, music and of course lots of food and drink. You won't want to miss the fireworks show on Saturday night! Check out pages 8 - 11 in this magazine for all the details.

Help the police keep your neighborhood safe. If you see something that looks out of place in your neighborhood, or anything that doesn't seem right, call the non-emergency Police telephone number: 636-227-2951. Our officers will come out and investigate.

One of the best ways I know to beat the August heat is to float down the Lazy River at the North Pointe Aquatic Center. Or, if you prefer a little more activity in your swim, the diving boards, splash pad, and children's play area provides fun for kids of all ages. North Pointe will be open daily through August 23rd, then on weekends through Labor Day.

If you want to relax in the park and listen to good music, come join us on August 5th at New Ballwin Park for our last free Summer Band Concert! See the details on page 18.

Want to have a voice in how Ballwin spends your tax dollars? Make sure to take our Budget Survey on page 5! This is your chance to tell us what you think about our community. Are we spending money in the right places? What are we doing well? What are we missing?

Fill out the survey and let us know!

I hope everyone has a great August! I will see you at Ballwin Days!!

Budget Survey

We Want to Hear from You, Ballwin!

The City of Ballwin is planning the budget for 2027, and your feedback is essential! Take a few minutes to complete our Budget Survey and help guide important decisions about City services, spending priorities, and future improvements.

The survey only takes a few minutes and will close August 31st, so take it now!

Budget Survey:

**I love
this town.**

Thanks, Ballwin Residents.

I love being here to help
life go right™ in a community
where people are making a
difference every day.
Thank you for all you do.

Want a Sidewalk in Your Neighborhood?

Interested in getting a sidewalk in your neighborhood? The City of Ballwin can help!

In the past several years, two sidewalks in two separate neighborhoods have been approved by the Board of Aldermen. The sidewalk on Algonquin Drive and Kenilworth Lane in the Claymont subdivision was recently completed, and the sidewalk on Wildwood Parkway is slated for completion within the year.

Both of these sidewalks got the green light after a neighborhood petition signed by a majority of residents was submitted to the City. That petition then came before the Board, who ultimately voted in favor of the sidewalks.

Be advised, it's not an immediate start to construction. The work is dependent on the availability of funding in the budget, the size and scope of the right-of-way (to allow room for at least a four foot wide sidewalk). So while it may take a few years to get constructed, the way to get the ball rolling is to get a petition circulating.

Interested in a sidewalk petition in your neighborhood? Have questions about what it entails? Email contact@ballwin.mo.us.

This sidewalk on Algonquin Drive from Kenilworth Lane to Claymont Drive was completed in June.

A sidewalk will be added on the south side of Wildwood Parkway from Baxter Road to Clayton Road within the year.

Sewer Lateral Repair Program Available

Did you know you can qualify for up to \$7,500 for Sewer Lateral Replacement?

In April of 1999, Ballwin voters approved a \$28.00 annual fee, deposited into a sewer lateral repair program fund designated only for the repair of sewer laterals. Homeowners can qualify for \$4,500 in repairs. In addition, the City may reimburse up to \$7,500 if it involves special circumstances such as deep excavation, street cutting and repair or other circumstances approved by the City Administrator or his designee.

What is a Sewer Lateral?

A sewer lateral is the pipe that carries sewage from the house to the sewer main, which is owned and maintained by Metropolitan Sewer District (MSD). It starts on the outside wall of your house and continues to the sewer main. The building sewer is located under your house and is not covered by the program.

What are the indications of a damaged sewer lateral?

The most likely indication of a damaged or failing lateral is a backup in your house, which usually occurs in the basement. At first, it may only occur when you are running a lot of water, such as when you are using an automatic clothes washer. As it gets worse, even taking a shower or flushing a toilet will cause a backup.

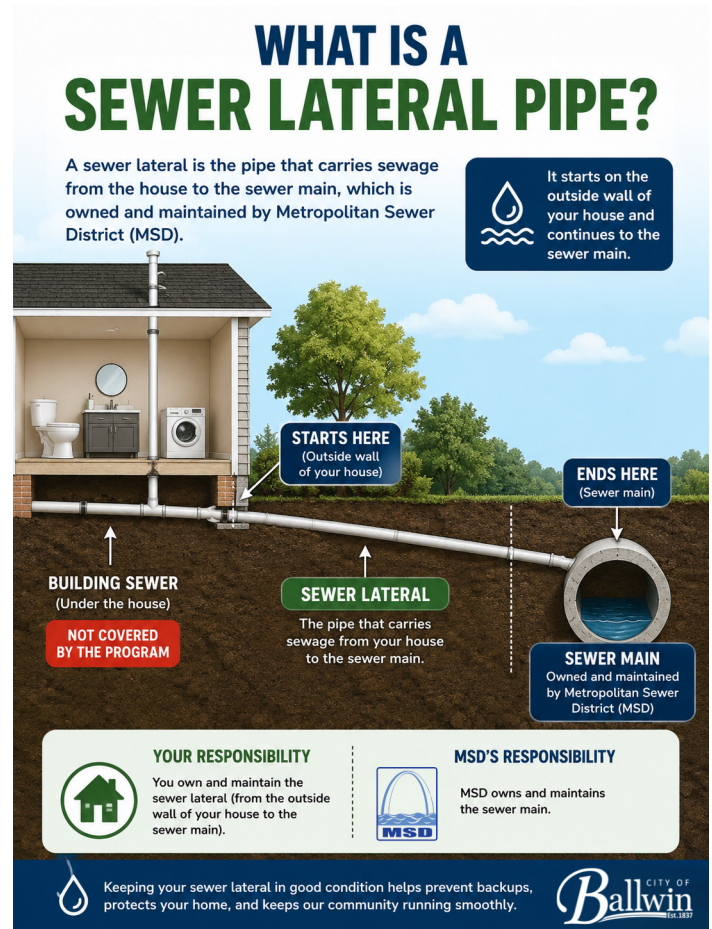

Sewer leaks are another problem with sewer laterals, but this problem most likely will not show up as a backup. With a sewer leak, the problem is untreated sewage leaking out into the environment through a yard or into an adjacent street, storm sewer or creek. The indications can be a bad odor, presence of black or gray colored water and in some instances, undermining of yards, sidewalks or street slabs.

Does all damage to a sewer lateral qualify under the program?

No, most older sewer laterals in the city are constructed of clay pipe. The pipe has a tendency to crack, break, separate at joints and allow roots to penetrate the pipe. These defects can exist while the sewer lateral functions normally. Roots can penetrate these defects and cause blockages. If the roots are slow-growing and can be maintained by clearing out on an annual or greater basis, the City considers this normal maintenance of the pipe. If the roots grow at a faster rate and need to be cleared from the line more than once annually, this is considered a covered repair.

The Sewer Lateral Repair Program is intended to help homeowners who have continuous blockages and have no sewer service.

To find out more information and see if you qualify for the program, use the QR Code to the right to fill out the application on our MyGov portal!

Chief's Corner

As we prepare for fall and the start of another school year, pedestrian and bicycle safety becomes even more important throughout our community. Whether you are walking, jogging, riding a bicycle, or driving a vehicle, everyone shares the responsibility of keeping our streets safe.

Unfortunately, the City of Ballwin has experienced several incidents this year in which bicyclists were struck by motor vehicles. Over the years, we have also investigated numerous crashes involving pedestrians being hit by vehicles. Many of these incidents resulted in serious injuries with lifelong consequences for those involved.

Drivers should remain alert for pedestrians and bicyclists at all times, especially in residential neighborhoods, near parks, in school zones, and along roadways where sidewalks may not be available. A momentary distraction, speeding, or failing to yield can lead to devastating results. Motorists should slow down in areas with increased foot traffic and avoid distractions while driving. Cell phone use, even when hands-free, can still reduce a driver's attention and reaction time.

Pedestrians and bicyclists also play an important role in their own safety. One of the simplest and most effective ways to improve visibility is by wearing light-colored or reflective clothing, especially during the evening, early morning hours, or during poor weather conditions. Dark clothing can make it difficult for drivers to see someone walking or riding near the roadway until it is too late to react. People walking or biking should also avoid wearing hoods or headwear that limits their ability to see or hear approaching traffic.

This is especially important in areas without sidewalks. When sidewalks are unavailable, pedestrians should walk facing traffic and stay as far from the roadway as possible. Reflective vests, flashing lights, reflective shoes, and reflective bands on arms or legs can significantly improve visibility. Bicyclists should also ensure their bicycles are equipped with proper front and rear lights when riding at night.

Parents should take time to talk with their children about traffic safety. This includes using designated crosswalks, looking both ways before crossing the street, and staying attentive around traffic. Bicyclists should always wear properly fitted helmets and understand the rules of the road before riding in neighborhoods or near busy streets.

Safety is a shared responsibility. Drivers must remain patient and attentive, while pedestrians and bicyclists should take steps to make themselves as visible and predictable as possible. By working together and making smart decisions, we can reduce preventable crashes and help ensure everyone reaches their destination safely.

The Ballwin Police Department remains committed to traffic safety enforcement and public education throughout our community. We encourage all residents to stay alert, slow down, and make safety a priority.

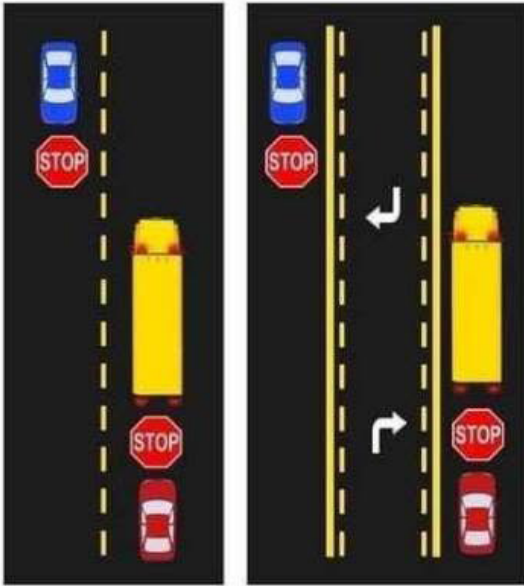

-John Bergfeld
Chief of Police

Fee: VIP \$100/Reg \$125

Ages: 12+

Location: The Pointe

Scholarships Available

The Ballwin Parks and Recreation Department works hard to ensure everyone has the opportunity to participate in essential programming such as summer camps, swimming lessons and more. Qualifying families can participate in these programs with the assistance of scholarship funds. Funds are limited each year and offered on a first-come, first-served basis.

Families who are interested in applying for financial assistance for these programs should first verify they meet the requirements listed on the application at the QR code below, then fill out the form and return it in a sealed envelope to:

The Pointe at Ballwin Commons
Attn: Matt Struemph
#1 Ballwin Commons Circle
Ballwin, MO 63021
Scholarship Fund Application

If you would like to contribute to the fund to help more kids and families participate in the programming offered by the Ballwin Parks and Recreation Department please contact Matt for more information at (636) 227-8950. Donations will be accepted, and you can also contribute by signing up for a Ballwin Race Series event. A portion of each race entry will benefit the scholarship fund.

Still have questions about the Ballwin Parks and Recreation Scholarship Fund? Contact Fitness Manager Matt Struemph at (636) 227-8950 or mstruemph@ballwin.mo.us.
