From Your Mayor

Dear Friends,

As we move into summer, I am excited to share with you that our great city continues to grow! Please join me in welcoming our newest Ballwin residents! In April, Arbor Trails and Arbor Crest subdivisions along with Oak Brook Elementary became part of Ballwin! We are excited to have you become part of our community!

In a few short weeks, On May 23rd, the North Pointe Aquatic Center will open for the summer. The Lazy River, children's play pool, and diving pool are all part of what makes summer in Ballwin extra special!

Looking for something for the kids to do during the long summer days? If so, Ballwin has the answer for you! Check out all the camps and programs we have to offer this summer starting on page 12. There's even a bunch of FREE ones in July to celebrate National Parks & Rec Month!

If you are a golfer, you already know about the Ballwin Golf Course! No matter the time of year, the golf course is busy (except when it rains or snows) and warm weather will bring out a full house of golfers. If you are a golfer, you don't want to miss enjoying the best municipal golf course in West County!

If you are headed to the beach, the mountains or grandma's house for a visit this summer, don't forget about the Ballwin Police Department Vacation Checks. More information can be found on page 7.

Finally, I want to ask for your patience. Over the coming months, you will see a record number of streets and sidewalks being repaired and replaced in our neighborhoods. Plus, you will see improvements in our Parks & Recreation facilities including new signage at the Pointe and at the Golf Course, a new children's play structure at the indoor pool, and refurbished locker rooms at The Pointe. All these improvements are great for our community and families, but there will be some inconveniences on our way to the finished improvements. Please bear with us, our city staff and contractors while the improvements are happening. You will love the finished products! No matter how you and your family choose to spend the summer, I hope it is awesome! If we can help, don't hesitate to contact me or your Aldermen.

Have a wonderful summer!

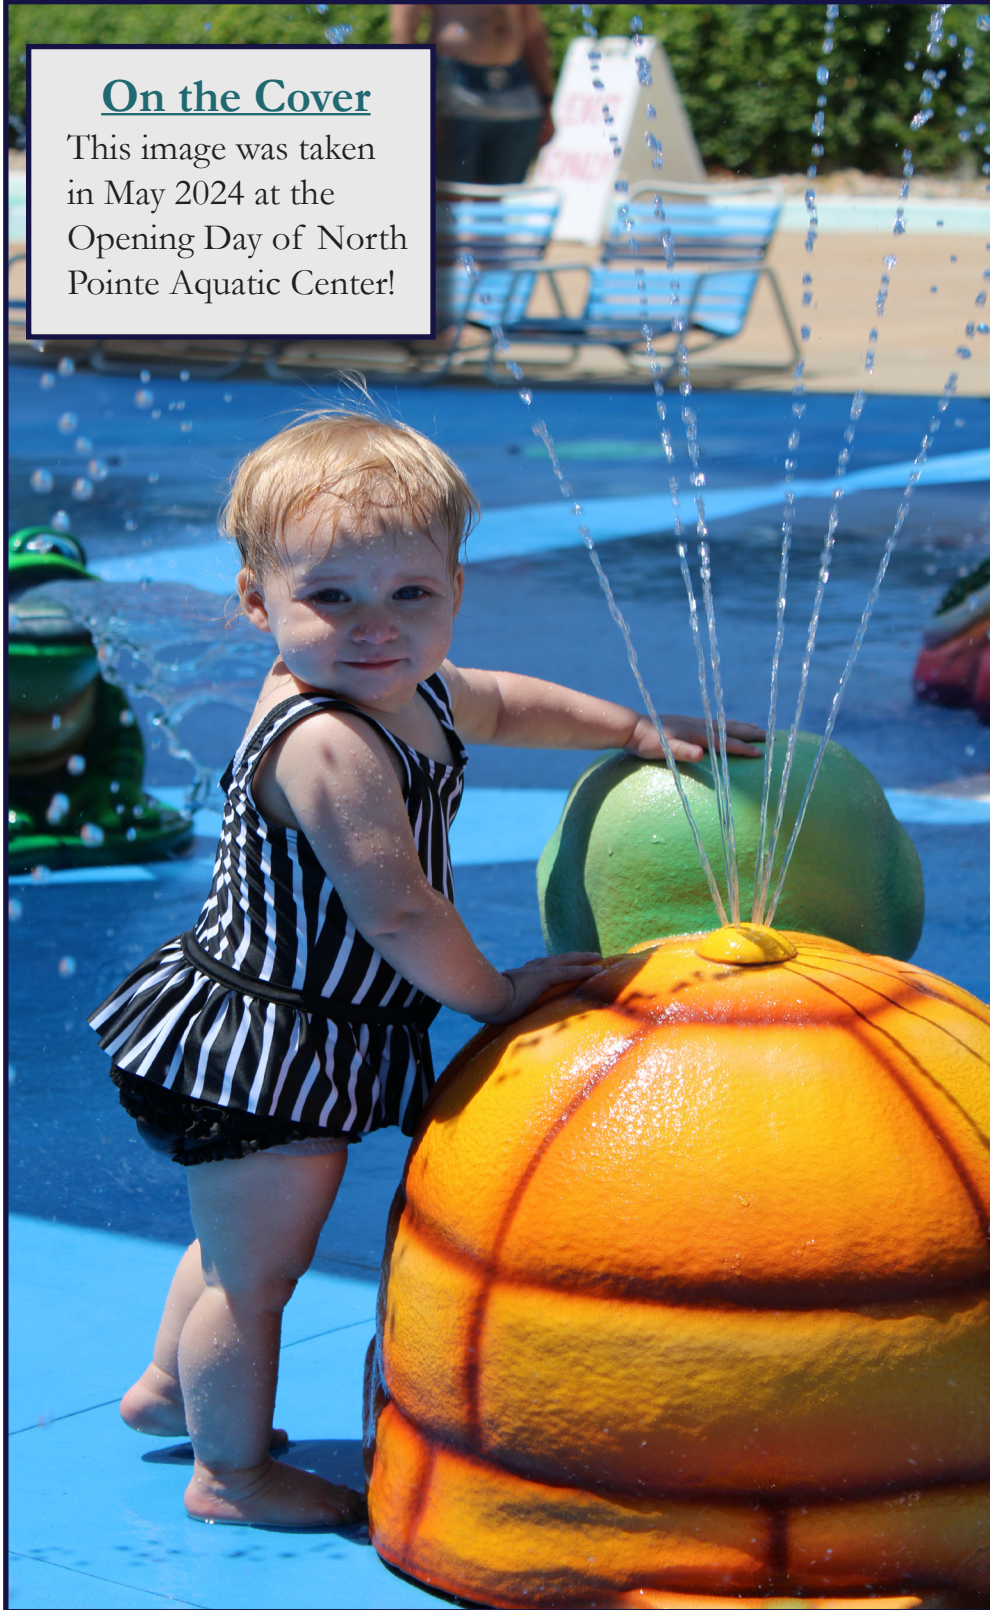

Mark R. Stallmann

April Municipal Election

A General Municipal Election was held on Tuesday, April 7.

We would like to congratulate the following individuals on their election or re-election to serve as Aldermen for the City of Ballwin for a two-year term.

- Alderman Michael Finley** (Ward 1) mfinley@ballwin.mo.us
- Alderman Janet Rodriguez Judd** (Ward 1) jjudd@ballwin.mo.us
- Alderman Lori Kelling** (Ward 2) lkelling@ballwin.mo.us
- Alderman Frank Fleming** (Ward 3) ffleming@ballwin.mo.us
- Alderman David Siegel** (Ward 4) dsiegel@ballwin.mo.us

New Annexations

The City of Ballwin would like to extend a heartfelt welcome to our newest residents!

The residents of Arbor Trails and Arbor Crest subdivisions became citizens of Ballwin, along with Oakbrook Elementary as of April 1st. Both subdivisions petitioned St. Louis County to join the City of Ballwin last year. The annexations were approved by the St. Louis County Boundary Commission in the fall.

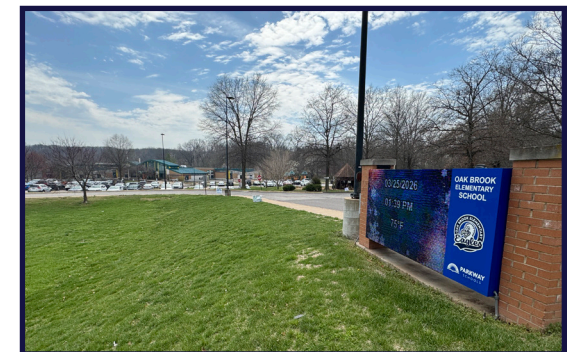

The Arbor Crest Subdivision brings in 14.8 acres to the City of Ballwin and is located off Ries Road to the southeast of the intersection of Ries Road and Big Bend Boulevard. It contains 34 single-family housing units.

The Arbor Trails Subdivision brings in 49 acres to the City of Ballwin and is located to the south of Big Bend Boulevard just past Oak Brook Elementary School. It contains 85 single-family housing units.

Oak Brook Elementary School was also annexed into the City of Ballwin as a result of the Arbor Trails Subdivision.

Both subdivisions will be located in Ward 1. Taxes will not increase for current residents of the City of Ballwin as a result of these two annexations.

Please welcome our new residents to the City of Ballwin!

Chief's Corner

The Ballwin Police Department is continually evaluating ways to strengthen our organization while supporting neighboring communities. One key service we provide is our Public Safety Answering Point (PSAP), or 911 Dispatch Center. Any 911 call placed within our service area is routed to our center. If fire or EMS services are needed, the call is transferred to Central County Emergency 911 so those resources can be dispatched. Our dispatchers remain on the line to gather critical information and ensure police officers are sent promptly.

In addition to serving Ballwin and Winchester residents, we also provide police dispatching services to neighboring communities. We have dispatched for the City of Manchester for more than 40 years. In April 2026, we expanded our services to include the City of Des Peres. We were able to take on this additional responsibility with only a minimal increase in staffing, moving from two dispatchers per shift to three.

There are several advantages to having multiple agencies served by a single PSAP. Because our communities share borders, incidents often cross jurisdictional lines. A crime that begins in one city may quickly move into another. Operating on a shared radio frequency allows officers to stay informed about nearby activity and respond more effectively. During large-scale incidents, neighboring agencies can quickly assist by providing coverage while the primary agency manages the situation.

With Des Peres now on our radio network, most police agencies along Manchester Road, from east of Interstate 270 to Ballwin's western border, are able to coordinate seamlessly. In addition to improved public safety, participating agencies benefit financially through shared resources and economies of scale.

Establishing a regional 911 answering point in West County demonstrates that local governments can collaborate effectively, share resources, and enhance service delivery without the need for mandated consolidation.

Chief of Police**

Summer Home Safety Tips

As summer approaches, it's a great time to think about a few simple ways to keep your home and belongings safe while you're out enjoying the season.

Each year during the warmer months, our patrol officers see an increase in garage doors being left open overnight. An open garage can create an easy opportunity for someone to enter and take items from your vehicles or anything stored inside. Unfortunately, there are individuals who drive through neighborhoods specifically looking for opportunities like this.

It's also important to remember to lock your vehicles, whether they are parked in the driveway or on the street. Taking that extra step can go a long way in preventing theft.

Before You Leave:

- Lock all doors and windows (including garage and basement access)
- Close your garage door, especially overnight
- Set lights on timers to make your home look occupied
- Avoid posting vacation plans on social media until you return

While You're Away:

- Ask a trusted neighbor to keep an eye on your home
- Keep lawns maintained so the house doesn't appear vacant
- Consider a camera or doorbell system for added security

Vacation Checks

The Ballwin Police Department offers vacation checks, where an officer will periodically check on your home while you're away providing an extra layer of security and peace of mind.

Package Theft Prevention:

- Track deliveries and bring packages inside as soon as possible
- Have items delivered to a workplace, friend, or secure locker
- Request signature-required delivery for valuable items

Ballwin is a very safe community, and your police department works hard to keep it that way. With just a few simple precautions, you can help protect your property and maintain that sense of safety for everyone.

July is Parks & Recreation Month!

Every July, the nation celebrates Parks and Recreation Month, and here in Ballwin, we have plenty of reasons to join the party. Whether you're a regular at The Pointe or just enjoy a quiet walk through Vlasis, our parks and recreation system is the hub of this community.

If you haven't taken a close look at our parks lately, you're missing out on some major upgrades. Over the last five years, we've been hard at work checking items off our Master Plan. From the new pickleball courts at Holloway Park to the new playgrounds at Vlasis, Holloway, and New Ballwin parks we are making sure our spaces are accessible and modern. We've also seen significant investments in the North Pointe Aquatic Center and the Ballwin Golf Course including a new fleet of lithium ion battery-powered golf carts, ensuring our facilities remain top notch.

It's about more than just green grass and slides. Our programs are designed for lifelong learning and active living. Between the hundreds of kids at summer camps, the "Blue Dolphins" swim team, Lunch and Bingo and our active adult fitness classes, these programs create the "social glue" of Ballwin. They aren't just activities; they're where first friendships are formed.

To keep the celebration going, the department is offering free programming throughout the month of July for anyone to attend! It's the perfect excuse to try a new class or explore a park you haven't visited in a while. See the next page for a full schedule of these free events and all the details.

None of this happens by accident. It takes a dedicated team of nearly 400 people to keep Ballwin beautiful and running smoothly. Our staff is a unique mix of neighbors at every stage of life. For many local teens, a summer job as a lifeguard at North Pointe or a camp counselor is their very first introduction to the workforce. At the same time, we have career professionals from our park maintenance staff to our facility managers who have dedicated decades to the city, often staying with us until retirement.

So, this July, take a moment to enjoy what we've built together. Visit a park, take a dip in the pool, play a round of golf or just say "thanks" to the staff member keeping the park clean. We'll see you out there!

New Pointe Indoor Play Structure

There's a new play structure coming to the Indoor Pool at The Pointe!

This summer, construction will begin on a new replacement for the play structure. It will feature two open slides, several mists and sprayers, a water maze in fun attractive colors.

It will have height appropriate steps, slides and handrails to accommodate our younger members and guests and include softer sprays to make playtime more appealing.

We're proud to also feature an ADA compliant transfer that will allow kids of different abilities access to the play structure and water play elements.

Construction is expected to begin in August!

We are proud to announce the reopening of our updated and enlarged Family Center on our Ballwin campus. There's no better place in St. Louis County for a Celebration of Life than right here in Ballwin.

For expert, professional funeral and cremation care, there's only one choice in West County.

The **Ballwin Blue Dolphins Swim and Dive Team** is a recreational team with an emphasis on developing basic competitive skills. This fun recreational league caters to swimmers and divers. We provide friendly competition between neighboring communities while focusing on learning, teamwork, sportsmanship, and most importantly FUN! We strive to promote a positive and safe environment for area swimmers and divers. Swimmers and/or divers with little or no experience are welcome. Registration opens April 1. All new swim participants must perform a swim test of 25 yards to join. The swim test must be swum with no assistance and without stopping. The swim test is not timed and is required for the safety of the swimmers. The 2026 swim pre-test date and time is May 3 at 10 am and held at The Pointe indoor pool. Swim team is NOT a substitute for swim lessons. In order to provide the best program possible, membership will be limited to 225 swimmers and 60 divers. All of our coaches are highly experienced in coaching swimmers and divers. Our flyer is posted on the City's website with more details.

Please register by May 4 to ensure the correct t-shirt size is ordered.

All Volunteer Checks are to be submitted with registration fees. Each family is required to submit three (3) \$150 checks made out to BALLWIN SWIM AND DIVE at the time of registration for the parent volunteer program. A buyout of \$450 may be made.
