From Your Mayor

Friends,

As I look out my window this morning, the leaves are starting to fall. By the time you read this, our Ballwin leaf collection program will be in full swing, an annual sign that the year is ending. And what a year it's been!

I want to start by thanking all of you for the opportunity you gave me in April to serve as the mayor of our great city. It is a great honor to serve as Mayor of Ballwin. I pledge to you

that I will always do my best to represent you and continue the growth of our amazing community! Thank you!

This year saw lots of great things happening in our city, from the opening of the awesome new playground in Vlasik Park to packed crowds at Ballwin Days, and fun at North Pointe Aquatic Center, summer camps and many other programs. I am especially proud to say that the Vlasik Park playground provides fun for children of all abilities. As many of you know, the ability of those with disabilities to enjoy the community and interact with fellow residents has been a cause near and dear to my heart.

This year concludes with a birthday celebration for the City of Ballwin. On December 29, 1950, Ballwin was officially incorporated as a fourth-class city under the laws of the State of Missouri. We kicked off the birthday celebration at Ballwin Days, and it continues with the street light banners designed by our school children and the other banners around town. Join us on December 27th and 28th at the Pointe as we conclude our Birthday Celebration with admission to the Pointe for residents, plus some birthday treats!

Be sure to take a moment to read the holiday guidelines from Police Chief John Bergfeld on page 10. Help our courageous officers make sure that people driving through our community will not spoil your holiday! Make sure that your cars, and those of anyone visiting for the holidays, are locked and that valuables are taken inside. Plus, be sure that your garage door is closed overnight. Finally, if you see anything suspicious, don't hesitate, call either the non-emergency number 636-227-2951 or dial 911.

My family joins me in wishing your loved ones a very Happy Holiday and a wonderful 2026!

Mark R. Stallmann

Where does my property tax go?

Did you know that the City of Ballwin has not charged property taxes for nearly 40 years? That may be surprising to hear since property owners still have to pay property taxes to other numerous political districts that serve the City of Ballwin. See the example for 2025 property tax rates on a \$400,000 appraised house value, the average price of a home in Ballwin. We've used the Rockwood School District & Metro West Fire Protection District tax rates as examples, but the City of Ballwin is also served by the Parkway School District and West County EMS & Fire Protection District as well as the Monarch Fire Protection District.

Taxing Jurisdiction	2025 Rate Per \$100 Assessed Valuation	Tax Dollars on a \$400,000 Appraised Value House
Rockwood School District	3.8826%	\$ 2,949.18
Special School District	0.09648%	\$ 733.25
Metro West Fire Protection District	0.849%	\$ 645.24
St. Louis Community College	0.2628%	\$ 199.73

Celebrate With Us!

It's the 75th Anniversary of the incorporation of the City of Ballwin, and we want to celebrate with YOU!

Ballwin was incorporated as a 4th Class City under Missouri Law on December 29, 1950.

Back then, only 750 people called Ballwin home.

Since that time, Ballwin has grown into one of the best suburbs in Missouri, frequently recognized as one of the safest cities, with low crime, high property values, a well developed system of parks and recreation facilities, and AAA-rated school districts.

Today, more than 31,000 people are proud to call Ballwin home. And we're proud of the City we've become!

Join us on Saturday & Sunday, December 27th & 28th to celebrate the 75th Anniversary! Residents will get in FREE all weekend, and we'll even have some birthday treats to celebrate!

Stop by and see what the Pointe has to offer and celebrate with us!

To see how Ballwin has changed since 1950, use the QR Code to the right!

Leaf Pickup

The Ballwin Public Works Department is excited to continue our free residential curbside leaf collection program this fall! This program began on October 27th and will run through the first week of December.

Here are some friendly reminders to help get you and your yard ready for leaf pickup day. For more information, please visit our website.

- There will be at least one crew assigned to each ward (1,2,3 and 4).
- If you're unsure what ward you live in, use the QR Code to the left.
- Crews will collect leaves Monday through Friday and will begin each day where they ended the day before. You can expect at least 4 passes through your neighborhood.
- If you'd prefer not to wait on our crews, Republic Services will pick up your bagged leaves as part of their yard waste disposal.
- We have created a Master Street List by ward, which is updated every afternoon to help you track crews progress throughout the City. This can be accessed on the Curbside Leaf Collection page under the Public Works section on our website.
- Please rake your leaves to the edge of your property next to the street. Do not pile the leaves up in the street or gutter.
- Do not park on top, or in front of leaf piles.
- This program may be delayed, halted, or ended due to weather conditions, manpower issues, heightened leaf volume, equipment down time, etc.
- There will be no pickup on City-observed holidays (Nov. 27, Nov. 28, Dec. 24, Dec. 25)
- Leaves will NOT be collected from any multi-family units such as apartments, condominiums, or villas.
- Leaves will NOT be collected along private streets within any multi-family complexes or any commercial, school, institutions, or non-City governmental properties.

Chief's Corner

As we approach the holiday season, I'd like to ask for your help in reducing crime in our community. While we gather to celebrate, thieves are often looking for opportunities to spoil our festivities. When shopping at local stores, stay aware of your surroundings as you walk to and from your vehicle. Park in well-lit areas, keep your vehicle locked, and avoid leaving gifts inside. If you must store items in your car, make sure they are out of sight. Thieves often watch parking lots for people who place valuables in their cars before heading back inside.

If you plan to travel during the holiday season, consider placing lights on timers to make your home look occupied. You may also request a vacation check from the police department if you'll be away for several days—just use the QR code to the right or call us at 636-227-9636. Have your mail held by the post office or ask a trusted neighbor to collect it daily. And remember, wait until you return home before posting vacation photos on social media.

To help prevent package thefts—or “porch piracy”—arrange for deliveries to a location where someone can accept them. If that's not possible, request that packages be placed in a secure spot on your property. Some garage door openers even allow you to assign a temporary access code so delivery drivers can place items safely inside.

After the holidays, don't advertise new purchases to thieves. Break down boxes from large items like televisions so they aren't visible in your trash. If possible, dispose of packaging at your workplace or another location that permits it. Finally, keep an eye out for your neighbors. If you notice anything suspicious in your neighborhood, please call our non-emergency number at 636-227-2941. If you need us, we're here for you.

**- John Bergfeld
Chief of Police**

As many of our neighbors trade winter chills for sunny skies, we know leaving home comes with a bit of unease—especially when you're splitting your time between two places. That's where the Ballwin Police Department's Vacation Check Program steps in to bring you peace of mind.

You'll be asked to provide:

Your trip dates

Alarm system or security camera information

Whether lights will be on or off

Vehicles left on the property

Whether anyone else will have access or stay at the home

Emergency contact info

The combination of cold weather, shorter days, and a general sense of gloom can contribute to what many describe as “winter blues.” The body’s natural rhythms, influenced by sunlight, can be disrupted during the darker months, leading to a dip in mood, energy, and motivation. For those already struggling with mental health conditions such as anxiety, depression, or bipolar disorder, winter’s toll can be especially hard. The isolation often experienced in the colder months can also exacerbate feelings of loneliness and hopelessness.

The Ballwin Police Department has taken significant steps to address mental health concerns in the community. With nearly 95% of its staff certified through the Crisis Intervention Team (CIT) program, Ballwin PD stands at the forefront of integrating mental health awareness into law enforcement. This program, designed to teach officers de-escalation techniques and provide an understanding of mental illnesses, has been a key factor in helping those in crisis.

CIT-certified officers are trained to recognize the signs and symptoms of various mental health disorders. Instead of relying solely on traditional law enforcement tactics, these officers are equipped to approach situations with empathy and an understanding of what someone might be experiencing. Whether it’s someone dealing with seasonal depression, anxiety, or more complex issues, CIT officers know how to engage in ways that prioritize safety, compassion, and the appropriate mental health resources.

Ballwin PD works closely with a network of local mental health organizations to ensure that people in crisis receive the help they need. Through these partnerships, officers can connect individuals with the right services and support systems. A community mental health liaison further ensures that follow-up care is provided, and if necessary, officers can work with the person and their family to develop a comprehensive plan for ongoing care.

If you or someone you know is struggling with mental health challenges, it’s important to remember that support is available. Seasonal depression, anxiety, bipolar disorder, and other mental health conditions don’t have to be faced alone. Whether it’s reaching out to the Ballwin Police Department or connecting with one of the many mental health organizations they work with, there are numerous resources ready to help.
