

MEMORANDUM

TO: ROBERT A. KUNTZ, CITY ADMINISTRATOR

FROM: GARY R. KRAMER, P.E., CITY ENGINEER/DIRECTOR OF PUBLIC WORKS

DATE: MARCH 26, 2015

SUBJECT: MICROPAVING

RECOMMENDATION: We recommend awarding this contract to Donelson Construction Company in the amount of \$35,000.

EXPLANATION: The 2015 budget includes \$35,000 for the micropaving of Graywood Drive and Whiteacre Court. The treatment is the same process used by the city of Rolla, MO since 2007. This process consists of a polymer-modified cold-mix paving system (similar to microsurfacing) patented by Donelson Construction Company, LLC, located near Springfield Missouri. Donselson has agreed to complete the project, at cost, as a demonstration project as a way to get into the St. Louis market area. As this is a patented process no bids were solicited.
