

CONSENT ITEM

RE: PARK DUMP TRUCK REPLACEMENT

DEPARTMENT: PARKS AND RECREATION

PROGRAM: PARKS

RECOMMENDATION: We recommend purchasing a 2016, 1.5 ton Ford F-550 dump truck equipped with plow blade from the low bidder, Joe Machens Ford of Columbia, Missouri in the amount of \$64,099 and the sale of a 2002 dump truck on GovDeals.

EXPLANATION: \$75,000 was budgeted in the 2016 operating budget for the purchase of a new dump truck to replace the 2002 model truck currently in the fleet. The truck is being replaced due to numerous mechanical problems. MoDOT has solicited and received bids for 1.5 ton dump trucks. These prices are offered to municipalities through the state cooperative procurement program. The summary of the bids is as follows:

Bidder	Model	Cost
Joe Machens Ford (Columbia)	Ford F-550	\$64,099
Lou Fusz	Ford F-550	\$64,903
Blue Springs Ford	Ford F-550	\$64,703
Broadway Ford	Ford F-550	\$65,216
Shawnee Mission Ford	Ford F-550	\$64,407
Midway Ford	Ford F-550	\$68,317
Republic Ford	Ford F-550	\$64,670
Dave Sinclair Ford	Ford F-550	\$64,351
Joe Machens Ford (Jeff City)	Ford F-550	\$64,331

The cooperative procurement program does not allow for trade-in allowances, therefore staff is recommending sale of the used vehicle on GovDeals.
