

## **CONSENT ITEM**

**RE:** Golf Car Bids

**DEPARTMENT:** Parks and Recreation

**PROGRAM:** Golf Course

**RECOMMENDATION:** Staff recommends purchase of six new (2014) and trade of six used golf cars from the lowest of three bidders, M & M Golf Cars (Club Car brand), in the amount of \$11,640.00.

**EXPLANATION:** \$12,000 was budgeted for this purchase in the 2013 operating budget. All six cars being traded are seven years old. After five years of use cars do not run as well and repair costs escalate. Keeping the fleet up to date insures that cars are available and in good working order for the public. The course currently has some Club Cars in the fleet and has found them to be reliable. Generally speaking the payback on a car is two years.
