

TO: Mayor Tim Pogue
Board of Aldermen

RE: Police Headquarters

Pursuant to Board direction, we have reached out to JEMA to provide us with refined design and cost estimates on the two sites that have been identified as the preferred alternatives for a new police station. They will also assess the pros and cons of each. It is expected that this assessment will enable the Board to determine where this new facility will be built so we can move forward with the process.

Direction, by motion, is requested.

Sincerely,
