

CONSENT ITEM

RE: Leaf Vacuum Replacement

DEPARTMENT: Public Works

PROGRAM: Property Services

RECOMMENDATION: We recommend purchasing a new belt driven leaf vacuum from TNT Golf Car for \$9,975.74 and sell the old vacuum on GovDeals.com. We expect the old vacuum to sell for \$300.

EXPLANATION: A 1997 direct drive leaf vacuum requires a new engine, impeller, discharge assembly, and a new trailer axle. The cost of parts alone exceeds the cost of a new vacuum. The prices below are for a new belt driven vacuum.

	Cost
Lawn Care Equipment (Brentwood, MO)	\$9,975.79
TNT Golf Car (O'Fallon, MO)	\$9,975.74
Erb Equipment (Granite City, IL)	\$9,975.74
Budget	\$18,000.00

The remainder of the budget is available to purchase a new engine for another vacuum.
