RE: POINTE SHOWER FLOORING

DEPARTMENT: PARKS AND RECREATION

PROGRAM: THE POINTE

RECOMMENDATION: Award contract to the low bidder, Technicote, in the amount of \$22,500.

EXPLANATION: Bids were solicited for application of non-slip flooring to the tiled shower room areas of The Pointe at Ballwin Common's locker room floors. This is a similar material to the non-slip flooring already in existence in the locker area of the facility.

Bids were received as follows:

| Contractor | Bid |
|-------------------|----------|
| Waddel Concrete | \$33,500 |
| Desco Flooring | \$22,936 |
| Bazan Painting | \$30,012 |
| Technicote | \$22,500 |
| Missouri Terrazzo | \$32,420 |

A total of \$35,000 was budgeted for graphic applications on the gym and fitness area walls, however, it was decided that the safety flooring should take precedence in The Pointe renovation project. Technicote received positive recommendations from their references and they have no OSHA or wage rate violations.

If you should need further information, please let me know.
