

## **Staff Report**

**Subject:** Sewer Lateral Repair Program Contractor Bid

**Department/Program:** Admin/Code Enforcement

**Explanation:**

The contract for performing sewer repairs for the City under the Sewer Lateral Repair Program expired at the end of 2019, and it was put out to bid. We received one bid packet, from our current contractor, A & A Sewer.

**Recommendation:**

Due to their excellent past performance as our contractor, I am recommending we enter into a contract with A & A Sewer to continue to perform sewer lateral repairs for the City of Ballwin under the program from 2020-2022.
