

# CONSENT ITEM

**RE:** REPLACEMENT OF SKIDSTEERS AND COLD PLANER

**DEPARTMENT:** PUBLIC WORKS

**PROGRAM:** PAVEMENT

**RECOMMENDATION:** Purchase three (3) skidsteers, one with tracks, and a cold planer from Bobcat Company for a total cost of \$150,593.90 AND sell the old skidsteers and cold planer on GovDeals.

**EXPLANATION:**

The 2014 budget includes the replacement of a 2004, 2005, and 2009 skidsteers and a 2000 cold planer. MoDOT has solicited and received bids for skidsteers and various attachments. These prices are offered to municipalities through the state cooperative procurement program.

The low bidder was Bobcat Company of West Fargo, ND for a total cost of \$150,593.90. The summary of their bid is as follows:

|  | Cost                |
|--|---------------------|
| S650 Skidsteer                             | \$40,406.90         |
| S650 Skidsteer with cold miller attachment | \$51,587.30         |
| T770 Skidsteer with rubber tracks          | \$58,599.70         |
| <b>TOTAL COST</b>                          | <b>\$150,593.90</b> |
| BUDGET                                     | \$153,500.00        |

MoDOT's cooperative procurement program does not provide for trade-in of the old equipment. We expect the combined value to be \$40,000 to \$50,000.
