RE: STREET SWEEPING

DEPARTMENT: PUBLIC WORKS

PROGRAM: PAVEMENT

RECOMMENDATION: Award the contract to the low bidder, Crowns & Curbs, Inc.

EXPLANATION: Since 2006 we have contracted for street sweeping. As in the past, the 2014 budget includes funds for quarterly contractual sweeping in compliance with our State Stormwater Permit.

Invitations to bid were sent to contractors, Reed Construction Data, and FW Dodge Reports. We advertised in the St. Louis Business Journal and on the City's website. The bid specifications are on file in the Public Works Department. On January 24, 2014 three bids were received and opened. The results are as follows:

Bidders	4 times/year	Additional Sweepings/hour
Crowns & Curbs, Inc.	\$24,700.00	\$75
Flagship Sweeping Services, Inc.	\$25,340.56	\$100
Contractors & Municipal Sweeping Service. Inc.	\$26,448.00	\$90
Budget	\$27,000.00	

The bid specifications include sweepings in April, June, September, and December, but do not include disposal of the sweeper debris. Allied Waste will dispose of the sweeping debris at no cost to the City.

The additional sweeping hourly rate is for special sweeping such as cleanup after a major storm or before special events.

Crowns & Curbs has no known OSHA violations during the past three years. They swept Ballwin streets in 2012 and 2013 without issues.
