At their April 22, 2013 meeting, the Board of Aldermen approved the purchase of a tandem dump truck with snowplow and salt spreader through the Missouri cooperative procurement program and sell the old equipment on GovDeals. The highest bid for the 2001 two-ton dump truck, snowplow, and salt spreader received on the January 16, 2014 closing date was \$9,900.00 from the City of Galena, Kansas. The truck had 61,084 miles and rusted frame rails. We expected it to sell between \$8,500 and \$10,000.
