RE: Vlasis Park Electric

DEPARTMENT: Parks and Recreation

PROGRAM: Parks

RECOMMENDATION: Staff recommends rejection of the three bids received due to all bids being over budgeted amount of \$20,000.

EXPLANATION: Bids were solicited for the installation of additional permanent electrical service to Vlasis Park to be used at Ballwin Days as well as other city events. An estimate for the proposed work was obtained for budget purposes last fall from RJP Electric Company, who the city has used on a number of major improvement projects. With that estimate, \$20,000 was budgeted for the proposed improvements.

The bid was advertised on the city's website, in Dodge Reports, and in the St. Louis Business Journal. Seven bid packages were sent to seven interested contractors. Six electrical companies attended the pre-bid meeting held on February 7 at the park. On February 21, three bids were received, opened and read aloud.

Contractors	Reinhold Electric	McNew Electric	Hanenkamp Electric
With alternate	\$28,612.90	\$42,564.00	\$31,161.00
Without alternate	\$26,850.00	\$39,775.00	\$28,988.00
